## LA DANSE DES ETOILES , SAINT BARTH

### LUXURY AND ELEGANCE

The neighborhood of Pointe Milou has long been regarded as one of the most stylish and desirable locales on St. Barth. Extending out into the Atlantic, villas on this promontory provide the perfect combination of privacy and fantastic views.

La Danse des Etoiles is an extraordinary achievement of design and craftsmanship.

The exquisite melding of wood and stone throughout this home creates a cool and relaxing atmosphere and combines with the carefully selected furnishings to make it one of the finest properties in St. Barth.

The modern and stylish kitchen is full of innovative features. It was created and designed to ensure that every detail provides an unparalleled experience, to not seclude this part of the villa with the other rooms, but rather make it a seamless transition.
