## AEOLOS , MYKONOS

### HILL-TOP PROPERTY SITUATED ABOVE HOULAKIA BAY.

From its dominant position, the house offers uninterrupted views of Mykonos town and several Cycladic Islands: Delos, Rhenia, Syros and Tinos. At night, thousands of tiny lights shine in the distance bringing to life the island and its neighborhood.

The interior of Aeolos is a combination of vibrant colors, innovative creations and large common spaces. Ideal for those who like to entertain in total comfort but also for those looking for a relaxing holiday where the privacy is a main prerequisite.

A very large terrace enjoys the sun and the sea breeze all day long, while a spacious Camares (a Greek pool house) provides shade and relaxation during hot summer days.
