BEAUTIFUL CYCLADIC STYLE VILLA

Overhanging the Kalafatis beach renowned for its water sport activities, the villa enjoys a hill top position, perfect to create unforgettable memories: in the evenings and mornings you can admire breathtaking views of sunsets and sunrises, which color the skies, waters and the Greek landscape.

At only few minutes drive, the Agia Anna beach is the ideal beach if you are looking for a quiet and beautiful cove far from the international crowds.

This sumptuous villa blends at the same time modern furniture with the traditional Myconian style with exposed beams and white walls which creates a unique atmosphere. Be it from the living room or the terrace with its infinity pool and lounging areas, you will be able to take a rest while admiring the sea view far from the noise of the city.

The property also has some surprises such as a Jacuzzi on the veranda upstairs and the aquarium style window on the lower floor.
