EDEN

DRAKOTHEA , MYKONOS

STUNNING VILLA IN MYKONOS

Drakothea is carved on a hill in a beautiful, peaceful spot, on the south east side of the island of Mykonos. There are breathtaking and panoramic views of the Aegean Sea and numerous other islands (Naxos, Paros, Ikaria, Donusa) as well as the unexploited terrain of Mykonos past. Due to its majestic location, one has the feeling of floating over the Aegean, with Lia Bay at your feet and the secluded Tigani Beach minutes from your property.

The villa blends uniquely into the rocky topography of a hillside setting and the impressive infinity pool, which hugs the entire length of the main house, tantalizes your senses into believing you are swimming into the crystal clear blue waters below. The property offers extreme privacy, impeccable grounds and it is constantly cooled by the Aegean breezes and bathed all day long by the world famous Cycladic sunlight.
