EDEN

ARTEMIS (KYKLOS VILLAS) , MYKONOS

SOUTH WEST VIEWS

Villa Artemis is the bottom left villa of a four-property private complex, sharing a magnificent swimming pool with villa Phoebe and a common parking entrance for the properties of the estate. The elegant shared bean-shaped pool located in front of the villa displays on the water's edge a rare gigantic aged Saguaro. The pool area is well equipped with teak deck chairs and umbrella for guests' comfort to also enjoy the magnificent views in a privileged wind-sheltered location. The one level villa is surrounded by a plenitude of unusual types of cacti and bright blooming flowers. In front of the main entrance, a shaded veranda features a small and cozy outdoor sitting corner and a dining table for private gatherings few steps from the pool.

The interior consists of an open-plan kitchen, sitting and dining area which are tastefully decorated with antique wooden furniture, white upholstery lounges and artifacts. All bedrooms are equally appointed with taste and flair. Villa Artemis can be rented alone for small groups or combined with any of the other three properties (with Phoebe with own private pool, or all together with Asteria, Leto, Phoebe with exclusive use of two private pools) making it a very special holiday for large families with children or large group of friends
