EDEN

THE EAGLE'S NEST , MYKONOS

REFINED VILLA WITH INFINITY POOL

Situated on the top of a hill in the Fanari area and protected from the wind, this villa enjoys one of the most beautiful panoramic views of Mykonos. No matter where you are in the villa, you will have good points of view, especially on Tinos, Syros and Delos Islands.

The property is divided into several buildings and natural terraces: the main houses and two guesthouses, linked by lovely paths and terraces. Mix of typical Cycladic and Provençal style, this property is a real pleasure for the eyes and its charm is irresistible. The most unforgettable part of the house is the infinity pool with its unique shape and spa perfect for a pure moment of relaxation. The outdoor areas with antique wooden furniture and artefacts fit very well with the ambiance of Mykonos. The entrance directly leads to a lovely kitchen and living room designed to bring the best comfort in a refined style.
