APARTMENT HELIA , ZERMATT

COSY APARTMENT

Apartment Helia is a charming and luxurious one-bedroom apartment with a wonderful chalet feel to it. It is located very centrally, right by the Beau-Site hotel, a 3 minute walk from the Sunnegga Express lift, 3 minutes from the main shopping streets and 1 minute from the bus-stop. It also has the rare advantage of being ski-in up to the end of February. This cosy penthouse is on the top floor with lift access..It is south and east facing, with Matterhorn views from the living room window and views of the Mischabel mountain range from its long east balcony.

The sloping roof with its apparent beams gives you the feeling that you are in your very own wooden chalet, while the furnishings are deeply luxurious, featuring wood-panelled wardrobes, antique chests, lush curtains, beautiful art, a supremely comfortable sofa and the perfect armchair.

The bedroom has adjoining twin mattresses, a balcony and the bathroom is next door.

The kitchen is of course fully equipped with dishwasher, oven, microwave and Nespresso machine.
