EDEN

APARTMENT ELSA , ZERMATT

IN THE HEART OF THE VILLAGE

Apartment Elsa is a just finished apartment renovation in an old wooden and very central chalet in Zermatt, situated just behind the church square in the heart of the old village, next to the main street with all its shopping and with easy access to a myriad restaurants.

Located on the top floor, apartment Elsa is south facing and you can admire the Matterhorn over the slate rooftops of the small higgledy-piggledy old wood chalets in front.

The cosy apartment is located on the third (top) floor and consists of two bedrooms, one double and one twin, and two bathrooms, one en-suite. The fully equipped open-plan kitchenette is small but has everything you need including a dishwasher, while the sitting / dining room has a lovely sloping beamed ceiling, a big sofa and leather armchairs, a convivial round dining table and a very large flatpanel TV. The second bedroom has twin beds which can be pushed together and has access to its own bathroom with shower. There is one separate W/C for all, and a washing machine / tumble dryer.

Elsa is an astonishing combination of old and new; the entrance and staircase of the chalet are showing their age, but as soon as you enter the apartment, you are cocooned in a tasteful combination of muted pastel and white colours, old wooden beamed walls, parquet floors, designer chairs and modern facilities.
