STYLISH

A fabulous addition to our program, this new luxury apartment is perfect for groups of ten who want to relax.

Kilco is a double height penthouse with dual aspect north and south facing balconies. A spectacular living space, a private swimming pool, a Moroccan hammam and an underground car park. Only 100 meters from the main ski lifts of Belvedere and La Solaise.

LAYOUT

Kilco Penthouse is a unique property in Val d'Isère and you will be wowed from the moment you arrive. Featuring huge reclaimed wooden beams and panoramic views, this property is simply fabulous. Enter the apartment via an elevator which gives you direct access to your property, with your private key. Huge double-height windows frame the mountains that surround the village. Large terraces are located on both the north face and the south face of the penthouse. The entrance has a large open plan living / dining room with a fireplace and an antique wooden dining table. The furnishings are soft, playful and contemporary with a touch of the tradition of mountain living. Oversized lamps and artistic bespoke pieces dress and complement the wooden interior. Four private bedrooms share the central living space, each with open-plan bathrooms, bespoke furnishings and high roofs, creating harmonious spaces conducive to relaxation.
