EDEN

CHALET PIERRE DE COMPIA , VAL D ISERE

FAMILY CHIC

Pierre de Compia is a beautifully appointed chalet for eight people, located in Val d'Isère. Located in Crêt, the sunniest part of the valley, the chalet benefits from a breathtaking view facing south and over the west of the valley. The exposed beams, high ceilings and stone fireplace create a contemporary and spacious living space, ideal for groups or families. Four luxurious en-suite bedrooms are located on the lower level, ensuring a peaceful night's sleep. A relaxing jacuzzi is also installed on an outdoor terrace.

Pierre de Compia, a spacious property, is perfect for two families or a group of friends. This chalet can be combined with its neighboring chalet, La Bouclia, to accommodate 16 people.

LAYOUT

The chalet is carefully laid out over three floors with the ski storage on the first floor, then the main floor with the bedrooms, and the upper floor with an open living space. The main entrance is often covered with snow in winter and the wood for the fireplace is outside the chalet to welcome you.
