CHALET MISTRAL , VAL D ISERE

LUXURY AND COMFORT REDEFINED

As the guest book repeatedly reads, Chalet Mistral is a home away from home, perfectly located with outstanding views overlooking the Manchet Valley and only a short chauffeured drive to the centre of Val d'Isere. On entering Chalet Mistral the quirky beams, high ceilings and rustic decoration is demonstrative of the relaxing and homely ambiance that is prevalent throughout the chalet.

Chalet Mistral exemplifies a convivial ambiance that combines the traditional Alpine entice with modernity. The peculiar beams and high ceilings of the main entrance are a characteristic of the extremely spacious and thoughtfully designed interiors. The comforting living room is emphasized with a large open log fire that exudes cosy warmth while the floor to ceiling windows capture the impressive views of the Manchet Valley and beyond. Chalet Mistral offers a comfortable accommodation for up to 14 guests in its seven well appointed en suite bedrooms. All the bedrooms are designed in a unique fashion that gives them an individual character.
