EDEN

VILLA LE GARDOIS , PROVENCE

PROVENCAL HAVEN NEAR UZES

Located walking distance to a typical village of Provence, and about a 10 minute drive from the medieval city of Uzès. The walls of this traditional, but fully renovated, Mas shelters a large garden of manicured grass and a pool for your use.

The villa can be accessed by the front or back entrances. With exquisite decor, the villa plays on a motif of french country chic and combines some elements of design, for example: the all white master bedroom or the star-lit hallway.

Amazing amenities are found in this villa. From manicured grass, surrounding the pool, to a well equipped pool house. There is ample space for enjoying the beautiful countryside ambiance. The kitchen is semi pro, and there are great sound and TV entertainment systems throughout the property.

The property has a discreet guardian who lives in a remote part of the villa and has no direct access to your perimeter or the villa.
