CHALET MARCO POLO , VAL D ISERE

AN ALPINE RETREAT

Marco Polo has been voted the Best Ski Chalet in France 2013 & 2014 at the World Ski Awards. Situated in the heart of Val d'Isère yet set back from the main road, the chalet gives you privacy plus easy access to the centre of this high altitude resort. A true masterpiece of style, the Marco Polo has combined contemporary and traditional materials to create a chalet like no other.

Bringing you 1000m² of Alpine chic, Marco Polo comfortably sleeps 10 adults and 4 children in six beautiful en-suite bedrooms. The living area is expansive with a large open plan living and dining area all set around a central fire place. The bar area is perfect for that pre-dinner cocktail and the cinema screen discreetly drops down from the high beams. Stretching out from the living area you will find a vast balcony, complete with panoramic views of La Face piste, an outdoor kitchen and heated seating.

Wellness is at the heart of Marco Polo as the whole first floor is dedicated to your relaxation and well-being. The spacious pool covered in gold leaf with jet stream sits adjacent to the hot tub and hammam. It is flooded with natural light from the floor to ceiling windows. The adjoining relaxation area with bar and fire place comes complete with lasers, smoke machines and an entertainment system providing everything needed for a party.

Descending into the heart of the chalet there are even more treats in store. The cave and fromagerie are perfect for wine and cheese tastings. The games and entertainment room comes complete with a pool table and darts board. The techno gym has two of everything, so you can workout in pairs. The classic massage room sits next to the automatic hydro massage room. Everything in this magnificent chalet is tailor made, creating the most extraordinary chalet in the alps.
